

REMARKS

Applicant respectfully requests that this amendment be considered and entered by the Examiner.

Applicant hereby claims priority of US patent application 09/257,766 filed February 25, 1999 entitled "Apparatus for and Method of Collecting and Distributing Event Data to Strategic Security Personnel and Response Vehicles". The priority claims for this U.S. patent application was inadvertently omitted at the time of filing. Also, the time periods indicated for submitting the priority claims in 37 C.F.R. §1.78 (a)(2)(ii) do not apply because the later-filed application meets the exception under 37 C.F.R. §1.78 (a)(2)(ii)(B), in which this application was filed under 35 U.S.C. 111 (a) before November 29, 2000.

If any additional information is required please contact the undersigned attorney.

Respectfully submitted,  
JACKSON WALKER L.L.P.
